Thank you for choosing CVFM- Claremont as your family doctor

- **Please be aware that our office does not manage chronic pain with narcotic medication. Those needs will be referred to a pain clinic.**
- **Our office does not manage benzo medication. Those needs will be monitored by Behavioral Health.**
- **No controlled prescription will be written on the first visit.**
- Please use blue or black ink when filling out all medical forms for our office.
- Our office policy for missed appointments states that once a patient misses three scheduled appointments he/she may be asked to seek care elsewhere and be dismissed from the Catawba Valley Medical Group practices.
- Our office policy for missed new patient appointments states that a patient can be dismissed if her/she no shows for this appointment.
- Please contact our office 24 hours in advance or as soon as you know that you are unable to keep your scheduled appointment.
- Please contact your pharmacy to have refill requests sent electronically to our office. CVMG policy states that a 24 hour notice is to be given for a refill request.
- Please make sure you bring a copy of your Driver's License (or ID Card), Insurance card(s) and Medications or Medication list to all appointments.

Again, thank you for your cooperation concerning these matters.

CATAWBA VALLEY FAMILY MEDICINE

C L A R E M O N T

Welcome to Catawba Valley Family Medicine – Claremont

Dr. Brad Hardee, Certified Family Nurse Practitioners, Pa Lee and Lynne Laws and Physician Assistant Jim Fox welcome you to their Family Medicine practice. The top priority of our providers and staff is helping you and your loved ones prevent illness and maintain physical and emotional well-being by providing medical care and recommending healthy lifestyle choices. Our practice manages acute and chronic illnesses, treats acute injuries, performs minor office surgeries and, when necessary, refers you to an appropriate specialist. Just think of your family medicine provider as your first line of defense in guarding your most valuable possession of all: *your health.*

PATIENT CENTERED MEDICAL HOME

As a patient-centered medical home we leverage technology and the latest in evidence-based care to treat the whole person not just their disease. We partner with our patients to focus on preventing disease. For those who already have been diagnosed with a chronic disease, we use the most current treatments available to attempt to avoid the development of expensive complications. We also work to provide easy access to care when it is needed so acute illnesses and injuries can be treated quickly without expensive urgent care or emergency room visits in a setting the patient is familiar and comfortable in. As a member of the Catawba Valley Medical Center system, we have immediate access to electronic notes, emergency room visits, hospitalizations, procedures, labs and diagnostic procedures completed at the hospital as soon as they are documented. This allows us to quickly and more efficiently determine the best treatment plan for the patient.

CATAWBA VALLEY FAMILY MEDICINE

C L A R E M O N T

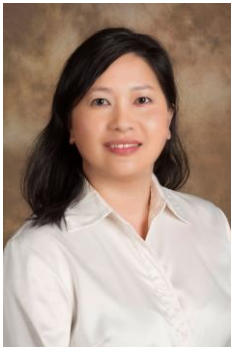

Dr. Brad Hardee

Dr. Hardee comes from Palmetto Health USC Family Medicine residency program in Columbia South Carolina. He earned his doctor of osteopathic medicine degree from Edward Via college osteopathic medicine in Blacksburg Virginia. As undergraduate at Appalachian State University, he was captain of the football team and was a member of 2 national championship squads.

He is passionate about travel and he served for 6 months working in an urgent care in New Zealand prior to moving back to the area. He is currently the Medical Director of Sports Medicine at Catawba Valley Health Systems. He enjoys spending time with his wife, Rachel, and his son, Huxton in his spare time.

Pa Lee, FNP-BC

Pa Lee is a Certified Family Nurse Practitioner with extensive nursing experience at Catawba Valley Medical Center where she served as Operating Room Business Manager and coordinated urology and robotic procedures while pursuing advanced education. Fluent in Hmong, Pa has served as an interpreter for the hospital since 1998. She earned a Bachelor's Degree in Nursing from the University of North Carolina at Charlotte in 2011 and completed her Masters Degree in Nursing from South University in 2015.

Lynne Laws, DNP, FNP-BC

A graduate of East Tennessee State University, Lynne received her Doctorate of Nursing Practice degree with a specialty in Family Practice in 2016, and is board certified by the American Nurses Credentialing Center (ANCC). She is a member of the American Nurses Association (ANA), the North Carolina Nurses Association (NCNA) and the American Association of Nurse Practitioners (AANP). Lynne has been involved in health care in Catawba County since 1988. She has served on mission teams and enjoys working with community and population health issues, as well as spending time with her family hiking, camping and scuba diving.
